

Surrey County Notes by Chris Andrews

At the Home Counties Veterans Table Tennis Championships in the Isle of Man, Tony Needham won Gold for Wales in the over 70's Doubles partnering Paul Collins. In the over 70's team event he won Silver along side Paul Collins and Dennis Bromage. The over 70's Singles saw Tony win Silver. Overall an amazing performance.

Another wonderful day was had in aid of Ukrainian refugees at Graham Spicer's in New Malden on Saturday 24th September, which raised £1500. Thanks goes to all the entrants and people who donated. Bribar donated some of the prizes as well as ttheart.co.uk who also donated all the food on the day.

Jarek Chrzanowski won the tournament with Tim Waller Runner-up. In the semi-finals Jarek beat Eugeni Genchev and Tim Waller beat Tony Needham.

Special thanks goes to Pawel Meryn for organising the event, Kumiko Williams for running the tournament, many other helpers and the Graham Spicer Institute for providing the venue.

Danielle Kelly is moving full time to Eslov in Sweden due to the club approaching her after a successful training camp in July.

Sunday 18th September saw Surrey's top Under 19 boys play-off with lots of competitive matches.

The final order of the top half was:

Henry Maric-Murray

Ollie Maric-Murray
