

Obituary for Len Saker (February 2019)

"It is with great sadness that I announce the death of Len Saker (on the left in the picture) who passed away at the age of 86, Len was President of the Wandsworth and District Table Tennis league for the last 15 years from 2004 – to the present. He was one of the great gentlemen of the sport and there is no one who had anything other than a genuine affection for this kind, funny and extremely affable man. Len joined the league committee as Auditor in 1983, and eventually became the league treasurer in 1987 a position he held until 2016. As a player Len first started playing in the Wandsworth League in the 1950s was still playing the odd match up to 2010. Our thoughts and deepest condolences go to all his family, a true gentleman who will be greatly missed by all who knew him. - John Llewellyn, Chairman Wandsworth & District Table Tennis League."
