Jack Harrington President of the Guildford Table Tennis Association passed away aged 84. He was untouchable at senior level winning the Men's Singles title 8 years on the trot and also taking the doubles title for seven of those years. He was a wonderful man, kind and gentle, a wise and dedicated President, the trusted elder statesman and a highly successful player. It was with great sadness that we learned of the death of Tom Taylor Woodward, aged 67, after a long illness. Tom played table tennis for the Challoner club in Guildford for over 30 years and was a regular player in many of the Guildford Associations Tours to the Channel Islands, along with his wife Lesley. Tom was a very fair but determined opponent who enjoyed socialising with his team mates and opponents alike and was well known and liked throughout the Guildford league. He was a devoted family man and is deeply missed by his wife Lesley, his son James and his daughter Maria (who are both talented table tennis players) and their families.
