

County Championships 2011/12; Surrey Junior 2nd team Summary 21.1.12 at Cippenham

Surrey II's pulled off an amazing victory against Buckinghamshire. Mickel Miller opened with an 11-7 5th game victory over England Top 50 junior Eddie Mitchell. George Harris made short work of Alex Nagle which was followed by Lewis Bray against Ben Woodbridge. Ben won the 1st game 15-13 and Lewis rattled off

the next 3 with the 4th game won 11-0. Lewis went on to concede just 17 points to a rather upset Eddie Mitchell. Jennifer Higham and Juliette Moussarie each managed to wrestle a game from Christina Lane but lost in 4. Imogen Scarles was a little too strong for our girls. **Surrey 6 Bucks 4**

Next up was mighty Middlesex. Hiba Feredj and Denise Payet won all the girls sets 3-straight which left the boys with much to do. Lewis Bray opened with victory over Shane Clark but it was Timur Hashimi who upset the applecart by seeing George Harris on the wrong side of a 106 point marathon. Timur fought galliantly to win 12-10, 10-12, 10-12, 13-11, 11-9! Mickel won another long set 11-8 in the 5th against David Rahbani. Eventually he found that slow loops broke down David's attack. A demoralised George Harris was disappointing against Shane Clark which saw Middlesex gain a 4-2 lead. Lewis pulled one back with a 3-1 win over David and Mickel went on to beat Timur.

Middlesex 6 Surrey 4

Not to be too disheartened Surrey next whitewashed Wiltshire. 9 sets were won 3-0 and Juliette Moussarie beat Wiltshire's No 1 girl Jess Edwards 2, -8, 7, -9, 7 in a very determined display. Jennifer Higham conceded just 25 points during her 6 games to gain some confidence. **Surrey 10 Wilts 0**

The 4th and last match of the day was against Oxfordshire. Our boys were impressive, once again, winning all their sets 3-0. Our girls could not quite match Teisi Tamming and Kristelle Brook, both playing with pimples, but they gave 100% effort. **Surrey 6 Oxfordshire 4**

Lewis Bray 8/8 100%

Mickel Miller 8/8 100%

George Harris 6/8 75%
