

Peter Benning

I have just heard that Peter Benning passed away on the 3rd December 2008 at the John Radcliffe Hospital in Oxford. Although I don't think that he ever played in Guildford many of the older players will remember him as one of the top players in the now defunct Leatherhead League in the 1970s. He moved to Abingdon and played there and helped with the administration of that league. Our condolences to his wife Doreen, his family and his brother Arnold who still plays in the Croydon League.

John Callicut (Chairman – Guildford League)
(December 2008)
