

**OBITUARY Doris Penny Died Tuesday 11th July 2006**

**Doris Penny 1920-2006**

Mike Barratt has submitted the following obituary on Doris Penny, who died on the eve of her 86 birthday -

Doris won medals in several World Championships, in the older age groups over the years. I have played with her for over 40 years. Her Leagues were Leatherhead, Byfleet & Guildford, but for the last 15 years only Byfleet. She played for Surrey at senior level and later as a vet. Won numerous titles but was very much a doubles specialist. Has had several strokes this year, but still played in the league last season with ball boys at each end when almost unable to walk. She was a very tough competitor. On Byfleet Committee for many years, never missed a meeting right to the end.
