

Mike Huband, another Wandsworth League legend passes away

(December 2017)

In what was a sad couple of months in 2017 with the news of Harry Rowley and Roy Holmes passing away, another Wandsworth & District Table Tennis League legend Mike Huband has died.

Mike was a formidable player in the penholder style but his legend will be remembered as match secretary of the league. He had been a committee member since 1973 in various forms, County representative, press and publicity, development and match secretary. He played for Crescent table tennis club with Bob Clark and Les Narozny for many years.

His involvement in sport included Tennis where he organised many tournaments. As a player he reached the finals of the doubles in the Surrey Closed Table Tennis Championships, and was a vital member of the famous Polish YMCA competing for many years in the West Middlesex Table Tennis League. Mike will be remembered as being very passionate and committed to the sport and always looking for ways to move it forward and encourage participation. To all his family and friends we give our deepest sympathies.
